On Wednesday, December 17, 2014, we were happy to welcome home Alan Gross from five years of imprisonment in Cuba. Scott Gilbert, whom Alan called his “personal Moses,” and the rest of the attorneys and staff at Gilbert LLP, are so proud to have played a pivotal role in Alan’s release. The photos below capture the excitement everyone felt as Alan was flown back to the U.S. from Cuba and landed on American soil for the first time in five years.

Alan Gross, along with Scott Gilbert and others, arrive at Joint Base Andrews following Alan’s release from a five year confinement in a Cuban prison.
